

Bill Would Make Portion Of River For Fly Fishing

Amendments Are Asked
To Nullify Effect
Of Measure

BULLETIN

Contacted in the assembly this morning, Assemblyman Francis Lindsay of Loomis, who represents this area in the lower house, said he was introducing an amendment to AB 1489 today asking that that portion referring to the Truckee River be stricken from the bill. At the same time he indicated that Assemblyman Lester Davis of Portola would ask for an amendment striking out that portion of the bill referring to the Feather River. With this accomplished, the bill would become dead. In event it does pass the assembly, Lindsay said, it still must pass the senate and organized opposition could be brought against the bill if that was found advisable.

H. H. Hodson, vice president of the Truckee Outdoor Sportsmen, today said he would enter a vigorous protest for the club against Assembly Bill 1489, already approved by the assembly committee on fish and game, which would set aside the Truckee River from Donner Creek to the lower side of the highway bridge at Hirschdale for exclusive fly fishing.

Hodson said that he would also solicit the aid of other local organizations, including the chamber of commerce, the 20-30, Rotary and Lions Clubs, American Legion and others, in protesting the bill. Hodson is acting head of the Sportsmen here during the absence of President A. G. Bradshaw, now residing at Roseville.

The question of making the Truckee River an exclusive fly fishing stream has long been the desire of the members of the San Francisco Flycasting Club and it is believed locally that the action was sponsored by that organization. The Truckee sportsmen have continued to oppose the move, particularly over the long stretch of river which is included in the proposed bill introduced by Assemblyman Thomas M. Erwin of Los Angeles.

The bill would also set aside the north fork of the Feather River from the Caribou power house to the confluence of the north fork and the last branch of the river.

The assembly committee Tuesday night approved and sent to the floor Erwin's Bill No. 63 which would continue the plenary powers of the state fish and game commission for 90 days after the 1951 session of the legislature.

Historic Land Grant Found in Lake Papers

In going through the effects of her late father, A. E. Lake, Mrs. Charles Heller has uncovered a number of historically valuable documents, including a land grant for 40 acres of property in Del Norte County, signed by W. O. Stoddard, secretary to President Abraham Lincoln.

The grant was issued December 5, 1861 and describes the property in detail and was issued on a well preserved form.

Other items of interest include a memorandum to President William McKinley who was killed September 4, 1901. The memorandum was held at LeRoy, Illinois, on September 19, 1901.

Rifle, Pistol Group Meeting on Saturday

Members and potential members of the Truckee Rifle and Pistol Club will meet at the Veterans Memorial Building on Saturday night at 7:30 o'clock for a regular business session. Following the meeting motion pictures from the fish and game division will be shown. Tom Borneman will preside at the meeting and invites everyone interested to attend.

Marcia Leamon Marks 2nd Birthday at Party

Marcia Susanne Leamon celebrated her second birthday in the home of her parents, Mr. and Mrs. Robert G. Leamon, Friday afternoon, March 11. Pink and yellow candles and ribbons formed the spring-like centerpiece. Figures made of candy and party hats were at each place on the refreshment table. The small honoree blew out two lighted pink candles which topped the chocolate cake.

Games and singing occupied the neighborhood playmates. They were Helen and Shirley Fowler, Donna Gracik, Theo and Patricia Scott, Kathryn, Sheila and Phyllis Barrett and Barry Leamon.

Traffic Hits New Low Since Gas Ration Stopped

Bureau Sees Prospects Of Big Upurge In Summer Travel

Despite adverse weather conditions and the cold of January and early February, more than 130,000 residents of other states entered California during the month of February, the bureau of plant quarantine announced through the Western News Service at Sacramento.

Inspectors employed by the bureau, a division of the state department of agriculture, reported 82,735 automobiles, 11,863 commercial trucks, 2,812 stages and 266,022 passengers entered the state during last month.

The Truckee station clocked 6,794 autos, 1400 trucks, 434 stages and 25,848 passengers during the 28-day period, a new low since war-time gas rationing was removed.

Stateline on U.S. 50 at the south end of Lake Tahoe recorded 784 automobiles, 51 trucks, 16 stages and a passenger total of 1939.

Peavine, the next station north of Truckee, cleared 5,106 cars, 349 trucks, 144 stages and 14,103 passengers.

Bylthe, due to its more favorable southern route, reported the heaviest traffic, followed by Yermo, Fort Yuma and Truckee. Truckee, despite its snow-clogged U. S. 40, reported a relatively heavy volume of traffic with more than a third of the automobiles coming from other states.

All stations reported 83,273 passengers crossing the state line with residence in California and 130,893 from other states. The 51,851 passengers on stages were new arrivals in this state or Californians returning home.

The bureau believes that with the arrival of the spring and summer months, California will experience its greatest travel in history and the quarantine stations are ready to handle a record business.

Woman Seeks \$11,800 For Crash Damages

AUBURN—For injuries allegedly sustained in an automobile accident near Soda Springs in March last year, Mrs. Juanita Emerson of Placerville has filed suit in court here for \$11,800 against Theodore R. Harvey.

High School Play Is Moved to Vets' Hall

The Truckee American Legion post Tuesday night voted to donate use of the Veterans Hall to the high school seniors for their annual play on April 1. The production was originally set for Capitol Hall.

Marathon Ski Contest On Summit on Sunday

Winter sports interest in this region this week centers on the Donner Memorial marathon on Sunday. The course runs 22 miles from Donner Summit to Emigrant Gap and approximates the routes used by the groups which sought to rescue and relieve the pioneer Donner Party, trapped by heavy snows on the shore of the lake which bears their name in the winter of 1846-47.

Further details of the race will be found in the Summit Scene column on another page of this week's Sierra Sun.

55 Attend Pythian Pot Luck on Friday

The pot luck supper arranged by the members of Summit Temple, Pythian Sisters, on last Friday evening attracted an attendance of 55 and an enjoyable program was presented. Following the supper, a number of cakes were auctioned and bingo and cards were played. Mrs. A. B. Polyanich was chairman of the committee on arrangements.

Officials Here—
Superior Judge James Snell, Probation Officer Thomas Barrett and Sheriff R. W. Hoskins were among the county officials in Truckee this week.

More Storms In Area Sets High Snow Mark Here

Pack At Truckee Nearly Four Times Total For 1948

The most severe winter on record is reluctant to give way to spring which will be officially ushered in next Monday.

The U.S. Forest Service, which maintains a complete record of the weather and precipitation, reveals that during the winter season Truckee has recorded 227.05 inches, or more than 20 feet of snow. Last year on this date a total of only 53.55 inches or a little over four feet had fallen. Twenty-one inches of new snow fell here during the past week.

The current report shows 50 inches of snow on the ground in Truckee with more than 100 inches still on Donner Summit and almost daily flurries of snow maintaining or adding to the pack. A storm which has been standing off the California coast for several days has continued to be felt throughout this area and more snow is forecast for tonight and tomorrow.

Total precipitation for the season is only 20.99 inches despite the heavy snowfall, the forest service reports. The precipitation last year on this date was 14.33 inches and for the entire season last year was 25.79.

Temperatures soared during the past week to a high of 55 degrees while the coldest morning was 12 above, the official forest service recorder said.

For the most part, highways are kept dry, although there are brief periods when chains are required on vehicles traveling over Donner Summit. The highway maintenance crews continue to operate plows and scrapers which keep the pavement dry except during storms.

KETTLE TIPPED, FOWLER GIRL IS BADLY BURNED

Little Shirley Fowler, six year old daughter of Sergeant and Mrs. H. B. Fowler, was seriously scalded about her face and body Monday evening when a kettle of boiling water spilled over her.

Shirley was standing on a chair by the kitchen stove watching her father prepare to color Easter eggs. She slipped and in falling grabbed the edge of the kettle and pulled it down, the contents covering the left side of her face and upper body. She was treated by Dr. J. H. Bernard and yesterday was taken to Reno for further treatment to prevent scars or complications.

Fowler is sergeant of the California Highway Patrol squad here.

Church Women Plan Food Sale March 25th

Mrs. Elizabeth McKay, chairman of the planning committee, announced that the members of the Women's Society of Christian Service of the Community Church will sponsor a food sale at the Chamber of Commerce office on Friday, March 25. The usual variety of home-cooked foods including cakes, pies, salads and other items will be featured and local residents are asked to remember the date.

Skis 12 Miles to Attend Rotary Club Meeting

Fyler Brennehan of Graniteville, a part time forest service employee, takes his Rotary Club seriously. Brennehan on Monday skied 12 miles in order to attend the meeting of the Truckee club at Donner Lake Lodge.

William Curran presided at the meet which was featured by a wire recording of Ernie Nevers' talk before the club on ladies night, March 7.

EAGLES TO NOMINATE
Nominations for officers will be the principal business when Truckee Eagles Aerie 1124 meets tonight in IOOF Hall at eight o'clock, according to Secretary John Rau.

Sun Beams

by Walter M. Barrett

The most important decision to be made by the trustees of the recently created Tahoe-Truckee Unified School District will be the selection of a district superintendent upon whose shoulders will fall the task of organizing the district's educational program. The job will not be one for an inexperienced man or woman, but will require a full knowledge of educational administration, organization and financial responsibility. There are few people qualified for this task and the board is faced with a real project in making a final decision. The success or failure of the new district may well hinge upon this decision and we are confident that the board members, each sincere in his desire to make the district a success, will be unanimous in selecting a man or woman whose intelligence and experience in education and administrative activities is a matter of record and not speculation.

One predominant virtue among the people of this region is their loyalty to the district. It is noticeable that we may disagree over issues and projects affecting our communities, even to the point of heated arguments but let some disinterested party enter the picture on either side and we are inclined to take exception to his interference, especially if it is derogatory to the district or its establishments. There are, of course, a number of exceptions to this rule but for the most part it is an admirable trend and we believe results in better understanding in keeping our community progressive and alert.

If you have not already done so, make your contribution to the Red Cross. Give what you can to lessen the suffering of those less fortunate.

BROOKS PREXY OF TAHOE GUN CLUB; 70 ARE ON ROSTER

KINGS BEACH—The North Tahoe Gun Club seems to be going over with a bang. Starting a month ago, it now has 70 members and is still growing. At an election on March 10, H. E. Brooks was elected president; John Rayburn, vice president; R. N. Schlumpf, secretary-treasurer; Andy Sorenson, field captain. Directors are H. Laborde, Crystal Bay; Tom Sutton and Bert Cochran, Kings Beach; Carl Bechtoldt Jr., Tahoe City and E. L. Loynd, Truckee.

Shoots are held each Sunday at 10:30 a.m. with all interested invited to join in, with guns being loaned if necessary.

Scores last Sunday were Ray Sorenson and Elden Tonini, 48 out of 50; Andy Sorenson and Bert Cochran, 47; Tom Sutton, 46; Bob Almy, Clem Laborde, 45; Dixie Reese, Bill Martin, 44; Dick Lavery, 43; Harvey Martin, 42; C. Bechtoldt Jr., 39; Bud Mandeville, 37; C. Sorenson, C. Walters, 36; Bob Mercer, Sam Faulkner, 34; Chas. Cagle and Fred Rockholm, 33; Dave Ashton, 27.

Uncle Sam Has Heavy Lien on Bones Remmer

A federal income tax lien for \$508,000 against Elmer F. (Bones) Remmer, widely known Tahoe and Nevada man, and a similar lien for \$358,868 against his wife, Helen Remmer, has been filed, according to press reports from Oakland. The claim against Remmer was made by R. L. Douglass, collector of internal revenue, department of Nevada.

Double Feature Travel Movies at Lions Meet

Two travel pictures, the first "Wings Over Ireland" and the second depicting Alaskan resources, were shown at the meeting of the Lions Club last night. Stan Martin presided at the meeting and visitors included Matt Connors and Robert Pomin of Tahoe and Dr. L. D. Nelson of Truckee.

Five Vehicles In Single Accident But None Hurt

Three Drivers Cited In Motor Mix-Up Near Here Friday

Three drivers were cited, minor damages were received by five cars but no one was hurt in a freak accident on Highway 40 six miles east of Truckee late Friday night.

It all started when Olander Wells, 38, of the Alameda Naval Station, ran off the road. Carl E. Spicer, 25, Madera, stopped on the shoulder of the road to offer aid and was hit by a car driven by James H. Keene, 28, Reno. J. Otis Hursey of Tahoe Pines was backing down the highway to see if he could help when his car was struck by one driven by Sam B. Bailey, 51, of Lovelock.

State Patrolmen William Gautsche and Roy Stallard investigated, citing Keene and Bailey for driving too fast for existing road conditions and Hursey for backing on the wrong side of the road.

P.T.A. CHAIRMEN ARE APPOINTED BY NEW LEADER

Mrs. M. E. Brown was formally installed as the new president of the Truckee Union P.T.A. on Monday night. In the absence of the retiring president, Mrs. Harry Eaton, Mrs. Guy White presided and was the installing officer.

Other officers seated were Mrs. E. C. Towler, vice president; Mrs. Eugene Risden, secretary; Mrs. Wm. Bottell, treasurer and Mrs. John Rablin, parliamentarian. The new officers were presented with red and white rose corsages following the ceremony.

Committee chairmen on the executive committee include Mrs. Eaton, historian; Mrs. White, hospitality; Mrs. Walter Loynd, magazine; Mrs. Muriel Frey, membership; Mrs. Doug Barrett, publicity; Mr. G. Hocker, Mrs. F. Woodie and Mrs. Bottell, finance; Mrs. Wm. Englehart Jr., health and Mrs. Elden Tonini, program.

THIRTEEN HURT AS BUSES MEET ON SUMMIT RUN

Two Greyhound buses westbound out of Truckee and two automobiles piled up Friday in a snowstorm on U.S. Highway 40 near Emigrant Gap, injuring 13 persons, four of them seriously.

The state highway patrol said a car nosed into a snowbank near Blue Canyon Airport and was struck from behind by one of the buses. A following bus hit the first one and another car crashed into bus No. 2. All vehicles were westbound.

Thirteen persons were taken to Highland Hospital at Auburn and nine of them were released after treatment.

The wreck tied up highway traffic for nearly an hour. The accident occurred in what the patrol called a "blinding" snowstorm at a point a few miles west of Donner Summit.

Sparks Club Meets With 20-30 Club Here

The Sparks 20-30 Club met with the Truckee 20-30 Club on Wednesday evening at Cozzi's. Bud Owens was program chairman and a bureau of mines film on Arizona was shown following dinner.

Other guests were George Steinmeyer of Grass Valley, Lauren Russell, L. D. Brennehan and William Curran, all of Truckee.

Baseball Meeting Scheduled; First Practice Sunday

Initial Work Out Set At Verdi as Field Here Is Snowbound

The first spring meeting of the directors and others interested in the Truckee Baseball Club will be held Friday evening, March 18 at the fire station, Manager Mike Korich announced.

A general discussion on the approaching season will feature the session as the Truckee club makes preparations for entering the Placer-Nevada League, a semi-pro circuit and the toughest competition the local team has encountered since its organization.

Plans will also be discussed for preparing the local field, now hidden under a few feet of fast disappearing snow. Until such a time as the local diamond is in shape, Korich said, he is urging the players to get into shape and with this in mind has called for a practice gathering at the Verdi diamond for next Sunday.

The local manager has extended an invitation to everyone interested in playing to contact him or to show up at the field Sunday for a workout. There are a number of players in this area, he said, who can likely qualify for a spot on the team.

This season players will be asked to sign contracts so that a working roster can be maintained throughout the season; the league rules making it necessary to have players listed, with only three outside players.

Plans for financing the opening of the season, which will see Truckee at Folsom on April 24 with two other out-of-town games at Roseville before the first home game here with Placerville on May 15, will also be discussed. Business Manager R. N. Little said, in adding his request that everyone interested in the progress of the team be at Friday evening's meeting.

ELLIS BROTHERS TAKE OVER AT SHELL SERVICE

Jack and Cliff Ellis, both well known local young men, this week leased the Shell Service station at Spring Street and Commercial Row and have opened the popular establishment for business.

Jack Ellis has been employed here by the Mountain Fuel Company and Cliff, who resided here a year ago, has more recently been living at Medford, Oregon. He has returned his family to Truckee and will make their permanent home here.

The Ellis brothers are familiar with the service station work, both having formerly been associated in that endeavor. They will handle a complete line of automotive accessories as well as the usual service. Their many friends here will wish them success in their new venture.

John Blue, who formerly operated the station, has left Truckee with his family.

New Bids Sought On Mail Route to Tahoe

Postmaster E. C. Bavier of Truckee announces that new bids must be submitted for the mail carrying contract from Truckee to Tahoe. All bids offered earlier this year were rejected and a March 31 deadline has been set for new bids.

The contract will cover from April 16 this year to June 30, 1950. Details of the route, requirements and forms may be obtained from the postmasters at Truckee and Tahoe.

Vet Adviser Returns Here on March 25th

Veterans in this area will again be able to secure assistance pertaining to Veterans Administration benefits on Friday, March 25. A contact representative of the Veterans Administration office at Reno will be at the Truckee Public Utility office on that date from 10 a.m. until 5 p.m.

Expected Monday—

A. (Slim) Ellert is expected home on Monday after a vacation trip to southern California and Mexico.

Basketball Team To Play Tourney For High Honor

Local Legion Squad Vs. Fernley Friday Eve At Lovelock

Truckee Post 439, American Legion, Tuesday night voted to pay expenses for its basketball team to the three-day Andy Millich tournament in Lovelock on March 18, 19 and 20. The team was invited due to its record of wins over a series of Nevada opponents on a "take all comers" basis.

The latest pair of victories for the Legion squad came on last Saturday night when the reserves dumped a fast-rising Truckee high school quintet 33 to 26. The first string then proceeded to down a Concord outfit 68 to 48, looking impressive after losing to the Colfax Bulldogs the week before by 20 to 23.

In the tournament, Truckee's first opponent will be Fernley at 6:30 Friday evening. In the same bracket for play are Hawthorne, Lovelock, Fallon and Winnemucca with finals on Sunday night.

Following the meeting Tuesday night, the Legion members inspected the indoor range erected by the Rifle and Pistol Club, a post-sponsored group under the direction of Tom Borneman.

Commander Frank Giovannoni presided at the session.

PROGRAM SERIES IS BEGUN FOR CONSERVATION

Conservation Week, March 7-14 saw the inauguration of a series of conservation programs for the local schools by the U. S. Forest Service and the state division of fish and game.

Last Thursday, William Curran of the forest service and Game Warden Tom Borneman presented a program of short talks and movies separately to the grammar school and the high school. A joint program was presented on Friday.

Curran said similar programs will be staged periodically during the term at all schools in the Tahoe-Truckee Unified School District. He said that it is planned to have field demonstrations on conservation of our natural resources as well as the class room work.

Ray Roberts Injured In Fall Against Car

Ray Roberts, local employee of the Sierra Pacific Power Company, suffered severe injuries to his head Saturday when he slipped and fell against his car. Although it is believed the skull was not fractured, Roberts suffered a serious bruise and has been confined to his bed.

The injured man's sister, Mrs. John Schell of Nevada City came up to be with him.

Tahoma Woman Honor Guest at Stork Party

TAHOE—A group of friends and neighbors on Wednesday gave a stork shower for Mrs. R. Wray of Tahoma at the home of Mrs. Truman Sunkel of Tahoe Pine Lodge. Those enjoying the pleasant afternoon were Mesdames P. Sederburg, A. F. Sanford, Joe White, Vic Ferris, M. Collard, G. Sarto, M. Dean, H. Danley, G. Anderson, W. F. Summers, W. Donaldson, T. L. Quinn, Jack Smith, the honoree and hostess.

Schools at Tahoe Enroll 88 on Opening Day

TAHOE—Norman Dewhurst, acting principal of Tahoe branch of Placer high school, reports 28 pupils registered for classes when school opened Friday. Mrs. Myrtle Gallinger, principal of the local grammar school, indicated a low attendance for school opening—60 pupils—is expected to increase considerably as soon as the snow leaves and new work is started in the area.

Also on the high school faculty are Mrs. Sue Enfield and Herman Rauh while Miss Betty Lee, Mrs. Dorothy Johanson and Miss Edna Lardner round out the elementary school staff.

Mrs. Stella Watson is back driving the school bus once again and the task is not an easy one. Out Tahome way the road is only one way at this writing and hard to negotiate when freezing.

AAUW Studying Plans To Swell Scholarships

TAHOE—Tahoe Sierra branch, American Association of University Women, met Tuesday evening, March 8, at the home of Mrs. Norman Sarratt. Mrs. Raymond Lewis, vice president, presided in the absence of Mrs. Bliss Hinkle.

Principal business was the formation of plans to raise funds for the chapter's scholarship fund to further the education of worthy students of the Tahoe and Truckee area. Famous domestic and foreign films will be shown this summer in this community with the proceeds from admissions to be put in this fund.

Refreshments were served by the hostess at the conclusion of the business session.

Tahoe Red Cross Drive Passes Halfway Mark

TAHOE—Mrs. Stella Watson, who is chairman of the American Red Cross fund drive in this area, on Monday announced that \$585.50 has been collected to that date. Tahoe's quota is the same as last year—\$1050. Summer residents are urged to send a portion of their annual Red Cross donation to the Tahoe branch to aid in fulfilling the quota.

Miss Betty Gates, well known at Lake Tahoe, has written she has left Arizona for Arkansas.

Estate at Emerald Bay Is Sold For \$55,000

SAN FRANCISCO—The summer home of the late Hartland Law of San Francisco, a 1-acre, Emerald Bay, Lake Tahoe has been sold to M. Matuchansky of Los Angeles for \$55,000. The executors of the estate negotiated the sale through Charles R. Murray, Lake Tahoe broker.

The three-acre property fronts along Emerald Bay for 300 feet and the ten-room, two-story residence features a porch deck over the water the entire width of the building. There are also two guest cottages, boat house and garage with an apartment above.

The grounds are enclosed in a dry stone wall built by Indian labor many years ago and there is a variety of shrubs imported from the Panama Pacific International Exposition of 1915.

Readers Are Reminded Of Library at Lake

TAHOE—Miss Florence Vernon, librarian in the public library at Tahoe Community Center, reports she has added 22 new steady readers to her list since mid-December. Many new residents do not know Tahoe has a well-stocked library. Hours are from 1 to 4 p.m. each Monday, Wednesday and Friday.

HOW MANY COAST JOBS WERE BORN

Pacific Telephone's construction program has made work for countless thousands and added to the West's postwar prosperity

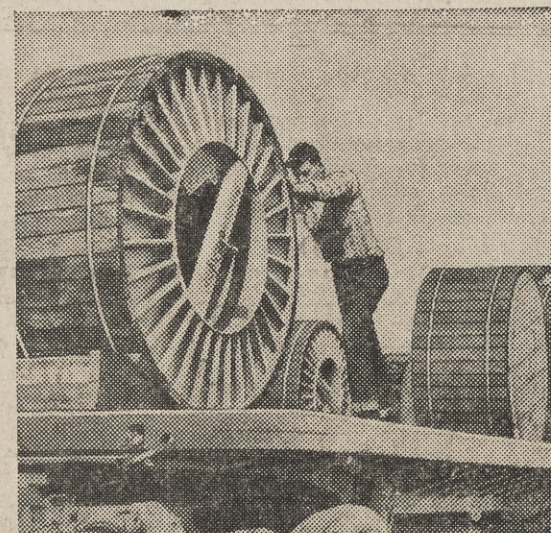

2. Hundreds of new buildings mean work for carpenters, bricklayers—and work for those who provide the materials. They mean future jobs for telephone people. Since the war, we've put half a billion dollars to work in new construction. Much of it has found its way in ever-widening circles into the economy of practically every city and town in the West.

4. It all adds up — this tremendous building program — to a better West for all of us. It is being paid for by thousands of investors who have provided the millions of new working dollars that make the job possible. Result: More telephones ... better service. Yet a few pennies still buy a telephone call — one of your real values today.

The Pacific Telephone
and Telegraph Company

Give gladly to the Red Cross

1. When you see telephone cable on its way to work, you're watching the West benefit in two important ways. It means new voice highways for the West ... more telephones ... better service. It also means jobs and paychecks for the men who make the cable, those who install it and, later on, those who maintain it. And putting in new cable is just a small part of our building program.

3. More business for the baker, the druggist, the clothier — telephone construction has given the West a big postwar lift. There's no way, of course, to trace all the jobs created by just one mile of cable ... or one building. But it would probably be hard to find a family whose income has not benefited, in some way, from the money we've spent to provide more service.

Summit Scene

by FRAN COJILLARD

Out of our window we notice magneta colored strips fluttering flourescently in the wind. These strips hung from branches are known as Cantron, a processed daylight flourescent fabric. This is the first time such a fabric has been used for trail markers. It is being used for the first annual Donner Trail Memorial

Race next weekend. Yesterday we watched Axel Olsson and Stig Bengter, famous Swedish cross country skiers, trying out the course. This memorial race is the creation of Cam Roumagne of Cisoc Grove. Edvi Aro, forest service recreational director, is handling the entries and to date 31 entry blanks have been turned over to him.

The course parallels the east-bound railroda tracks on the old Sugar Bowl to Soda Springs road, passes the Snowflake on the Soda Springs Ski Hill, crosses under the tracks at Beacon Hill Lodge, thence to Donner Summit Lodge and follows Highway 40 to Kingvale, Crampton, Rainbow, Big Bend, Trailsyde, then on the old highway thru the Auburn Ski Club grounds, past Sitzski Club, over the old road past Crystal Lake to Yuba Gap, thence along the ridge and down the

floor of Emigrant Gap, the finish line being at Rancho Sierra. Stig Bengter, Swedish champion, stated "In my opinion this is the finest course in the world today." The course is 22 miles long and the longest of its kind in the United States.

Starting at the Summit, national anthems of each runner's nation will be played as he takes off with flags of all nations being grouped. As the race is being run practically along the highway the runners can be seen by spectators nearly all the way. An armful of trophies are in the cases of the curio shop at Donner Summit Lodge for public view. A permanent plaque will be set up in the area. Herbert Coleman of Kingvale Park, a direct descendant of Captain George Donner, will present the trophies. Doc and Ruth Widing of Rancho Sierra will give a smorgasbord dinner to the contestants and State Senator Harold Johnson will greet the runners. Barbara Zorich, runner up in the Truckee Dog Derby queen contest, will also be on hand to present the trophies. Barbara, school teacher at Emigrant Gap, is the wife of Bud Zorich, director of the Soda Springs Hill Ski School. Roumagne has worked out the details with care for the past two years but desired that it be run in 1949 as a Centennial feature. The trophies to be presented are in the names of the various Donner Party rescue groups and will commemorate Reed, Starks, Glover and Stanton.

and bald headed men's race.

Last Sunday evening Bill Ruth-erford entertained a number of his friends with a tamale feed at Ice Lakes. Packing them back and forth in his snow weasels, it was surprising how quickly the transportation of 20 guests was accomplished.

The Donner Trail winter committee has its folder in production. Its originality and Eric Johnson's are work make it a souvenir worth preserving.

Madylon Walton knits another sweater. Ruth Meador of Soda Springs Hotel gets a new car. Peg Travis is ill and we wish her good health and soon. Nadine Neugebarger's dog has nine pups. Emma Smout is back in her spot a hostess at Donner Summit Lodge.

A few months ago the Donner Summit Racing Club was formed. Ambitious and expert skiers of the area who had hitherto skied and raced without sponsorship longed to wear an emblem of a home club. Another reason for the club was demanding a sponsorship emphasis — that reason was Dick Buek. Buek, 19 years old, a daredevil and utterly fearless, started to ski during the war years. Prominent skiers of that period noted the grace, natural aptitude and fearlessness of the boy and took him under their wings. Within a short time he had incorporated the knowledge, the special trademarks of these experts in his form. In 1948 Dick won the Class B championship at the Sugar Bowl. Next he surprised the sporting world in his spectacular run at White Hills to win the Class A open. Easily he swung into first place at the recent Auburn Ski Club invitational and last Sunday he became champion of the Far West Ski Association at the Reno Silver Derby race with a downhill time of 1:17.5. Those who have sponsored Dick — Stan Walton and Gratz Powers of Ski Ranch, the Donner Racing Club and his parents, the Carl Bueks — stood with bursting buttons this week as he left for Reno to meet Hannes Schroll and Courtland Hill, president of the Far West Ass'n. Together they will go to Aspen, Colorado, for the March 20 downhill; to Sun Valley for the Harri-

Duffy Merrill celebrated his 6th birthday party by entertaining his little mountain friends Saturday, March 12. His baby sister Denise acted as hostess and greeted Rickey Misener, Johnny Horak, Starr Walton, Bobby Strickland, Patrick Vail, Nancy Pratt, Butch Hansen and Diane Silva of Sacramento. Ice cream, cake, animal crackers, suckers, etc. were the treats. Duffy, who we predict will be another Dick Buek and already one of the champions of the March of Dimes Race, took it all very nonchalantly and looks forward to his party next year.

Marles Olson, who won the Donner Sunday Slalom a few weeks ago at Ski Ranch thus eliminating her from competition on that hill, traveled to the Soda Springs hill and took top honors for the women's division last Sunday. Marles is another to watch. Her brother Ronnie, one of the champions schussers at the Ski Ranch, can be seen on the front page of last Sunday's Oakland Tribune. Little Chester Petrocchi and Larry Cartmill came in 2nd and 3rd on the men's Sunday Slalom on the Soda Springs Hill — all locals and all under 12 years of age.

Plans are underway for an Easter Carnival starting out with an Easter Sunrise Service at Ice Lakes with an illuminated cross and a rendition of Handel's Messiah being broadcast. Following this will be the annual Easter Egg Hunt on the Soda Springs Ski Hill and in the afternoon the Donner Ski Ranch will have its regular comic Easter parade

MY PLACE in the SUN

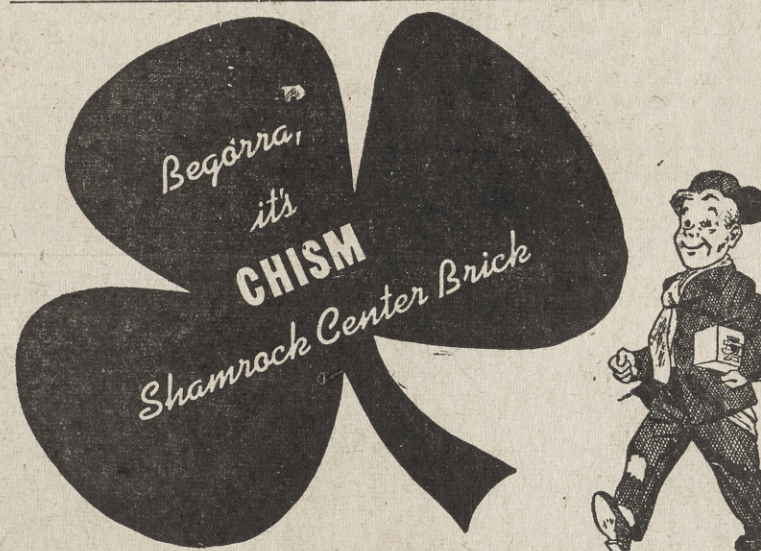

by DOUG BARRETT

With the spring thaws, Lyla Loehr wonder how many people around here remember the Sunday promenades to the old Tin Bridge. Seems the bridge was where the SP overpass spans Highway 89 today. Snow and mud made Truckee streets impassable. So, to ward off cabin fever, the citizens used to doll up on Sundays and whole families would trek up the tracks—the only open arteries of travel—to the Tin Bridge or down the track to Kearneys for an outing. I'm sure a lot of you remember it.

Pearl Heller is showing a couple of pieces of Belleek Irish porcelain in the Variety Store window to honor St. Patrick's Day. Even though it looks more like a White Christmas. It was Happ Birthday to Mattheus Furniture which rounded its first year in its present location March 8th. March 10 was the wedding anniversary of Charlie and Clydeen Beyer. and March 11 was the big day for the J. W. Pattons. A radio program of interest to all and especially to Tahoe dwellers will be the life story of Captain Robert Dollar being presented on the This Is Your Home program on Sunday, March 20 at 10:30 a.m. over KNEC, San Francisco. 680 on your dial. Sixty friends of Don Bowman gathered Saturday night at the Gables to wish him happy birthday. In anticipation of St. Patrick's Day, a midnight Irish stew was served with dancing and fun in general for all attending.

Mrs. Helen Stokes of Kings Beach was a passenger in one of the two Greyhound buses which collided near Emigrant Gap last Friday. The local woman escaped injury and reported the bus she was traveling on stopped just about two feet short of going off the grade into Bear Valley.

The PTA held an executive meeting on March 10 at the Kings Beach school. A district meeting at Nevada City on March

23 was announced. Mrs. Virginia Mason reported the Reno dental clinic will check the teeth of children of this area between the ages of three and 15 some time in May, with transportation being furnished by the PTA. On Tuesday, Dr. John Keys conducted physical examinations of the local school children, sponsored by the PTA. Mrs. Alice Sorenson was named room mother for the upper grades and Mrs. Pauline Noel was appointed as magazine chairman.

On Monday, March 14 Mesdames Mary Abbott, Helen Van Uden, Pauline Noel and Helen Chanda attended installation of officers of Truckee's PTA at the grammar school there. A. E. Abbott of Kings Beach has been awarded a life membership in the Bakersfield and Kern County Builders Exchange. Abbott was one of the organizers, and first president of the exchange in 1928, heading it again in 1938. His is one of only two such life memberships.

Doyle and Bartow Barnett were up from Auburn over the weekend to visit their father D. C. Barnett at Kings Beach. Mrs. Barnett will return from Auburn in April to prepare for the seasonal opening of Bonnie Beach Resort.

Thelma Burroughs fell while skiing Monday evening and broke the cartilage in her knee. The injured leg will be in a cast for some time and she is at present confined to her home.

Mrs. Mae Meisenheimer returned home Monday from Benicia and San Jose where she visited her daughters, Mrs. Ruby Clackett and Mrs. Helen Buehler, accompanied by her younger daughters Betty and Patsy. Returning with her was her little granddaughter Vicki Buehler who will spend some time at the lake.

The Mothers Club will meet on Thursday, March 31 to decide whether to change their name to the Womens Club and broaden the scope of the group. The club project of furnishing the office and teachers' room in Kings Beach School including installation of curtains and asphalt tile has been completed.

On Monday night the North Tahoe Low 12, a Masonic organization, met at the home of Clare Walters to approve by-laws and elect officers. Thomas Lucas is president; George Rheiner, vice president; Peter Svensen, secretary treasurer and Don Barkhurst, guard. Business meetings will be the 2nd Thursday each month and socials on the 4th Thursdays. Their first social will be at the Gables March 24.

The Lake Tahoe Chamber of Commerce will hold a general meeting Friday evening, March 25 at Legion Hall at Bijou. All members and others interested are invited to attend.

TAHOE—Mrs. Myrtle Gallinger, principal of the Tahoe Lake School, is arranging for a hot lunch program at the school and hopes to have it operating by next Monday.

Tahoe Letter

FROM SWANEE
Tahoe, March 14

Dear Tahoeites:

Returned home Sunday night following a stay at the home of my daughter, Marie, in Reno. Son Jim accompanied me and it a treat to be out of the snow for a spell. Returned to find another 20 inches of snow on the ground. The pavement is showing on local roads but the county plow which operates about Tahoe City is again laid up for new parts which Al Henry Jr. says should be arriving tomorrow or next day.

The first thing I noted upon stepping into the house was the odor of china lilies and yellow daffodils. A beautiful bouquet was sending forth its delightful fragrance, the gift of Mrs. Stella Watson who each spring brings back armfuls from the Watson winter home at Shingle to distribute among her friends.

Also learned that two Tahoeites were hospitalized recently. One was Mrs. Annie Soll of Tahoe Pines who underwent a minor eye operation in Reno last Wednesday. She remained a hospital patient for several days and must return soon for additional treatments. Mrs. Soll, incidentally, has received the unusual and beautiful sweater which was made for her in Iceland of native wools. An expert at knitting, she declares the black sweater with red and white trim is a masterpiece.

The second Tahoeite to undergo surgery was Miss Kathleen Starratt, daughter of the A. M. Andersons. Kay has been vacationing at the ranch home of her friend Miss Betty Woolsey near Jackson Hole, Wyoming. A week ago Kay was again seized with the terrific pains which necessitated an operation last year, the result of an old skiing accident. She was rushed to Jackson Hole hospital where Dr. J. Scoville of New Haven, Conn., a noted bone specialist, operated. At this writing she is back at the Woolsey home recuperating quite satisfactorily. She cannot ski for another three weeks at least but will remain at the ranch to continue her vacation. Kay is enjoying sun bathing and general light exercise on her road back to good health. Numerous visitors have come to see her, including Dodie Post of Reno and others of the skiing fellowship.

A visitor at Tahoe on Monday was Mr. Lund, president of the Northland Skiing Company of St. Paul, Minn. He had not been at Tahoe since the Nationals in '32

and expressed amazement at the manner in which the lake region had been built up and improved. He visited briefly with President Bill Bechdolt of the Lake Tahoe Ski Club at Tahoe Inn before his departure.

Before ringing off want to remind our friends to mail their checks to the American Red Cross while the drive is on this month. They may be mailed to the Red Cross, Tahoe, California, in care of Mrs. Stella Watson, fund drive chairman in this area. All donations large and small are being gratefully accepted.

Good luck, good health and happiness to you all, as ever,
SWANEE

Mr. and Mrs. Gilbert Ballard who have been wintering in Florida expect to leave there in a few days to return to Tahoe Vista about April 1.

Mr. and Mrs. Jack West were home over the weekend and hope to be back to stay soon. They have been staying on the Summit where West has been working on snow removal. They were accompanied by his brother, James, and wife of San Francisco.

New residents are Mr. and Mrs. Billie B. Pickins who have been trying to move in since early February but have been held up by the snow.

Mrs. Thomas Kelleher has joined her husband at Lovelock, Nevada where he is now employed.

Hidden tank farm to keep 50,000 homes warm

Deep in the firs near Puget Sound one of the largest heating oil tank farms in the West is being built... and motorists passing by on the highway will never know it exists.

A large ring of trees has been left standing around the tanks to preserve the scenic beauty of the area; the farm itself will store 28,896,000 gallons of oil... enough to heat 50,000 homes all winter long.

Actually, the six tanks are not needed under normal weather and shipping conditions. They're being built at a cost of more than \$1,000,000 to make certain there will be enough oil on hand to meet any emergency spell of unusually bad weather... to make certain the homes of the

people we serve always will be warm. Similar expenditures are being made constantly in the important job of serving the West well.

Lake Tahoe Ski Club Has Busy Meeting

TAHOE—The Lake Tahoe Ski Club met in Community Hall last Friday night with President Bill Bechdolt presiding.

Jerry Quam, state D class ski jumping champion, and Jimmie Morhain, C class jumper, were appointed to go to Cisco on March 19 to try out for the Legion Junior Tournament to be held at Sun Valley April 2 and 3. Oliver Henrikson, Terry Tollefson and Victor Wikander will enter the Donner Memorial Race on March 19.

Bechdolt, Floyd Carnell and Gerry Waters were named delegates to the Far West Ski Association convention at Reno April 1 and 2.

Plans were furthered for the club's Junior Meet at the Tahoe City Ski Hill on March 26 at 10 a.m. Events will include a one-mile cross country, slalom, downhill and jumping for all youngsters whose 15th birthday do not occur before March 25. A slalom race will be held for girls in this age group. Trophies will be awarded first place winners and medals will go to second and third placers. Any child may enter and does not have to belong to a ski club. Registration can be made with Mrs. Marie Henry at Tahoe City 70. Raymond Fellows is chairman of the Junior Skiers. Art Howard says: "Everyone knows that Bank of America is the place to go when you are just a little fellow in the business world"

Art Howard presents a member of his pedigree family.

From bellhop to rancher might be the title of Art Howard's story. He started on a night job as bellhop so he could have six daylight hours in which to raise chicks. With a breeding establishment of 31 modern buildings on 29 acres near Sacramento, California, he recalls the loans from Bank of America which helped him along the way.

Wilson Move—

Mr. and Mrs. F. A. Wilson, pioneer residents of Hobart Mills and Truckee who have lived at Murphy for several years, have returned to Nevada City where they have property. They are the parents of Fosten Wilson, Truckee deputy sheriff.

Confined to Home—

Mrs. Maude Gaffield is again confined to her home by illness. Returns Home—Mrs. William Campbell has returned to her home here following a vacation trip of three weeks in Long Beach and Ocean-side.

**COURT BUSINESS
HITS NEW LOW,
LITTLE REPORTS**

A new low since he took office was recorded by Justice of the Peace R. N. Little's office last month both from a standpoint of fines collected and cases heard. The month's total of \$534.50 is far above most justice court fines but is far below the average of the Truckee office. Justice Little reports \$477.50 came from traffic fines, \$41 from criminal cases and \$10 from fish and game convictions.

**Tahoe School Board
Studies Skiing Classes**

TAHOE—The Tahoe Lake School District board met Monday to discuss the possibility of giving skiing instructions to students of elementary school age for the rest of the present school term. While no definite plans were made, letters were sent to parents asking their attitude toward the proposed program.

On Tuesday, Kjell Rustad, Tahoe skiing instructor, spoke before the school student body assembly, explaining the advantages and health aspects of skiing instructions and highlighted his talk with an exhibition of the various skiing techniques.

If the lessons are approved they will be conducted after regular school hours. Each child would be required to furnish his own equipment and must secure transportation home as the school buses must leave promptly at 3:15.

Business Conference—

Mr. and Mrs. Frank Gaiennie returned Monday from San Francisco where he had attended business conferences for the Sierra Pacific Power Company and Mrs. Gaiennie had visited relatives. Luncheon and Bridge—

Mrs. R. N. Little entertained sixteen guests at a one o'clock luncheon and bridge in her home on Wednesday afternoon. Spring flowers in shades of rose and lavender formed the tables' center interest.

Here for Snow—

Bill Bryant of Sacramento visited at the home of his uncle and aunt, Mr. and Mrs. Henry Loehr, going home last week end after enjoying the snow sports.

Alarm Tested—

Unwarned members of the Truckee Volunteer Fire Department and other citizens responded to a noon alarm yesterday only to learn the siren was being tested after recent repairs to the switch.

Family Party—

Mr. and Mrs. Bernard Vernazza and family of Graeagle and Solon Barbis of Oakland visited at the homes of Mrs. Mary Zunino and Elden Tonini and enjoyed a family dinner before returning to their homes last week.

Attend Wedding—

Mr. and Mrs. Truman Sunkle of Tahoe Pines Lodge and Mr. and Mrs. Franklin Sunkle of Tallac are in San Francisco this week end attending a wedding ceremony.

Visit Relatives—

Mr. and Mrs. J. W. Munsey of Dinuba and Mrs. E. H. Buente of Manhattan Beach were visiting with Mr. and Mrs. C. E. Sullivan last week, returning to their homes Sunday. The Munseys are Mrs. Sullivan's parents and Mrs. Buente is her sister.

**Water Fowl Happy
On Tahoe "Refuge"**

Game Warden Tom Borneman reports that a large flock of ducks, geese and swan are making their winter headquarters at Tahoe City. The birds are apparently satisfied with their lot, particularly in view of the fact that the residents of the community are feeding them regularly. The flock spends most of the time on the Tahoe Commons and food is taken to them via a snow weasel.

Two Kings Beach drivers met on Donner Summit last Thursday evening with minor damage to both of their cars. Elston R. Garrow, 48, received a damaged left rear fender when his car collided with one driven by Robert F. Stevenson, 34, near Skyline Lodge on U.S. 40. Mrs. Stevenson, traveling with her husband, suffered minor injuries and was given first aid by Dr. John Keys at his Truckee office.

Patrolmen Roy Stallard and William Gautsche cited Garrow for driving on the wrong side of the highway.
